IT'S ABOUT **FREEDOM** IN CHRIST

JESUS OFFERED THIS WHEN HE SAID:

“I HAVE COME TO PROCLAIM
LIBERTY

TO THE CAPTIVES,

HEALING

TO THE BROKENHEARTED,

AND

SIGHT

FOR THE BLIND”

THE GLORY OF GOD IS MAN FULLY ALIVE - ST IRENAEUS

Have you ever wondered, "Is this all there is? Just grind out an endless succession of days?"
Has your relationship with God gotten a little too comfortable, a little stale? Does God fit neatly in a box?
Is He distant, uncaring, out of range, out of touch? Do you want something different? Something more?...
.....more passion, more desire, more challenge, more life, more victory, more God? Look at it this way:

*The stories and movies you love have in them someone worth fighting for...
....because the story or your life has someone worth fighting for, too.
And they have a villain to be conquered, and a hero that is desperately needed...
....because your story does too...
Before the dawn of time, you were born into an epic story
.....one of adventure, risk, and heroism.
The stories that move you, that stir your heart to life,
are calling you into a greater story, a higher story. HIS Story.*

We are a band of brothers, a group of men in search of our hearts.
Having tasted a real awakening, a life changing encounter with God
that is challenging and alive, we share it. We offer an introduction
to it in a long weekend filled with adventure for the body and the
soul. We pursue His Story, using great films to foster transcendent
moments with God. We offer adventure, not only in your heart but in
the outdoors. We band together in truth. We thirst for more Jesus,
and spend quiet time with Him...

"THE STORY OF YOUR LIFE IS THE STORY OF THE LONG
AND BRUTAL ASSAULT ON YOUR HEART BY THE ONE WHO
KNOWS WHAT YOU COULD BE, AND FEARS IT."

- Wild at Heart by John Eldredge (essential reading)
