

The Glory of God is Man Fully Alive - St Irenaeus

Life

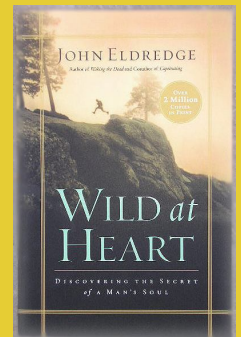

Difficult sometimes, isn't it? Endless routine of pressures and obligations. Catch a little "pleasure" to ease the pain of it all. Is this all there is? Is it just about following the rules, doing our duty - is that all that awaits us? Do you think God's will for you is to just "be a good boy?" Is there something more?

It's about Freedom

It's about healing the brokenhearted, proclaiming liberty to the captives, and giving sight to the blind. That's why He came: that's what Jesus read from Isaiah 61, the day He began His ministry. It's not just about making it to heaven when you die. It's not about "8 ways to improve your walk." It's about the heart; the heart is central.

Life! It was never intended to enslave us, blind us or break our hearts. This message is about Isaiah 61 restoration: to recover and live from hearts that are **full of vision and passion, alive and free!**

Return To Glory BootCamp is a three day adventure into the recovery of your masculine heart as outlined in John Eldredge's book "*Wild at Heart*."
